Wholesale Only

We urge all buyers to inspect plants before they buy as we sell only on the following conditions:

We make no express or implied warranty of any kind except that plants are true to variety. When plants leave our possession we have no way of knowing whether they receive proper care so we do not guarantee they will live, pass inspection or be merchantable.

All claims must be made immediately upon receipt of plants by the quickest method and full details must be given. In no case will our liability exceed the purchase price.

DISCOUNTS: 5% for cash. No further discount will be allowed.

TERMS: Cash with order.

C.O.D. orders will be considered only when a deposit of 25% is sent with order.

SHIPPING: Please state whether you want shipment by Express, Motor Freight, or Railway Freight. Parcel Post shipments will be made only if the amount of postage is included in order.

SIZE OF ORDER: Due to the present cost of packing we will not be able to accept any orders for shipment for less than \$10.00.

You Save on Truck Load Orders

No packing charge.

Cheaper transportation rates.

Fast Service — overnight delivery at 400 miles distance.

Stock arrives at destination in excellent condition.

As a rule we can arrange transportation through local, reliable truckers at the following rates:

2 ton truck hauling 5 tons — 30¢ per mile one way.

10 wheeler truck hauling 10 tons — 35¢ per mile one way.

Tandem axle van hauling 15 tons — 40¢ per mile one way.

You can readily see the advantage of the Tandem axle van as the cost per plant is cheapest, and generally speaking nursery stock moved in these closed vans arrives at the destination in excellent shape.

To aid you in figuring out a truck load order the following weights are listed below:
